

Medtronic Extended™ Infusion Set and Reservoir.

The **only available
infusion set** which allows
up to **7-days of wear.***

Life with fewer interruptions.*

Longer wear, without compromising
comfort or insulin delivery compared
to standard infusion sets.*^{1,2}

Medtronic

Medtronic Extended™ Reservoir

Reduce insulin wastage

The Medtronic Extended™ Infusion Set works exclusively with the Medtronic Extended™ reservoir, allowing a reservoir only change when needed.

Available in 3.0ml only.

New design which allows up to 7-days of wear*

Tubing and Connector Innovation

- Reduced risk of occlusion^{1*}
- Reduced risk of hyperglycaemia¹
- Stable insulin absorption¹
- Better maintenance of insulin stability^{4*}

Skin-friendly adhesive patch³

- Provides comfort and durability
- Less risk of irritation

Reduce your set changes by half*

Giving your infusion sites more time to rest.*

Simple to insert²

With one-handed insertion, the Medtronic Extended™ infusion set is even easier to place in hard-to-reach areas of the body.²

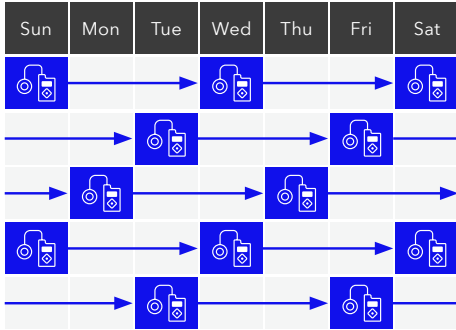

Reduce plastic waste⁵

By using **Medtronic Extended™** and changing your infusion set less often, you can **reduce plastic waste by half** which is equivalent to up to **1.9kg a year.**⁵

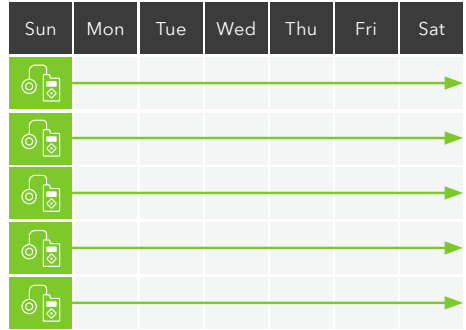

NO MORE 3-day routine in a 7-day world.*

Current MiniMed™ infusion sets are changed every 2 to 3 days.

Extended™ infusion set up to 7 days wear.*
Reduce your set changes by half*

Medtronic Extended™ Wear
+ MiniMed™ 780G System
leads to **96% fewer injections.**¹

The Medtronic Extended Infusion Set works exclusively with MiniMed™ 600 and 700 series insulin pumps.
Talk to your healthcare professional to switch to the Medtronic Extended infusion set and reservoir.

IMPORTANT SAFETY INFORMATION

Infusion sets are indicated for the subcutaneous infusion of medication, including insulin, from infusion pumps. See the device manual for detailed information regarding the instructions for use, indications, contraindications, warnings, precautions, and potential adverse events. For further information, contact your local Medtronic representative and/or consult the Medtronic ANZ website at medtronic-diabetes.com.au
